- 2.5-way, floorstanding bass reflex speaker
- 6-inch woofer
- 6-inch mid-woofer
- 1-inch DTT/WaveGuide tweeter
- Hard Conical Cone (HCC) woofers
- Active Impedance Correction (AIC)

C 805

The C 805 offers high performance and high style in a value, feature-packed floorstanding speaker. The C 805 is a 2.5-way bass reflex speaker that uses a 6-inch woofer, a 6-inch mid-woofer and a 1-inch decoupled tweeter to deliver remarkably accurate sound, tailored to its smaller cabinet.

The speakers in the C 80 series share a number of attributes. They all feature tweeters with Decoupled Tweeter Technology (DTT) to reduce vibration to keep high frequencies clear and accurate, and WaveGuide for increased sound control to maximize speaker placement. They all have woofers and midrange units that use Hard

Conical Cone that allows midrange to handle higher frequencies without distortion, and Center-Plug technology to increase power handling and stabilize sound reproduction. Furthermore, they all come with an Active Impedance Correction system, which neutralizes the magnetic field around the pole piece, to reduce distortion by up to 50%.

Whether you are looking for the ideal cinematic or the perfect musical experience, the C 805 floorstanding speaker makes an outstanding choice for the budget-minded.

Specifications

System Type	2.5-way bass reflex
Woofer (mm/in)	155 / 6
Midrange (mm/in)	155 / 6
Tweeter (mm/in)	25 / 1 DTT
Power (W, long/short term)	160 / 320
Sensitivity (dB, 2.8V/1m)	88
Frequency Range (Hz)	40 - 24,000
Impedance (Ohm)	6
Weight (kg/lb)	18.5 / 40.8
Product dimensions (mm/in, HxWxD)	877 x 201 x 347 / 34.5 x 7.9 x 13.7
Overall dimensions (mm/in, HxWxD)	907 x 225 x 347 / 35.7 x 8.9 x 13.7
Finishes	Black Ash or Dark Apple
