### Custom Headrest Parts Return Policy (RA and Advanced Exchange Requests):

Our Advent Headrests Systems are comprised of several different parts. In the event of a performance issue with an Advent Headrest System, please contact VOXX Tech Services at 1-800-645-4994 (prompt 4). VOXX Tech will diagnose the failure mode to determine the correct part needed to resolve the issue. RA and Advanced Exchange requests for replacement parts will only be granted with VOXX Tech approval to ensure the correct part is sent for replacement.

- 1) Advanced Exchange is a service we provide our Advent customers to ensure timely delivery of a replacement part to service a consumers defective issue. So that a failure mode is confirmed and the correct part or parts needed to correct the failure mode is identified, we require that Tech Services is contacted to provide troubleshooting assistance to shop and in-the-field installing techs. Only through VOXX Tech Services will the part or parts needed to correct the defective issue be approved for replacement or return. Once VOXX Tech Services approves the replacement of a part, the call will immediately be handed to the RA desk for processing. Please ensure that unit serial numbers and Proof of Purchase are available to confirm In-Warranty status
- 2) We highly recommend that our Advent customers utilize VOXX Tech Services for all product troubleshooting when a performance issue is reported by a consumer. Identification of a potentially defective part in a Headrest System my not be an obvious one and the part that one may think to be defective may not be the part which is creating the failure mode. The VOXX Tech Service team is a valuable resource to assist installation techs to either correct the failure mode the first time the issue is raised or ensure the correct parts are sent so that the consumer receives complete repair service the first time
  - 3) Please ensure that defective Advent Headrest parts returned to VOXX are handled and packaged well to prevent damage to the part. Any units returned that exhibit physical damage (i.e.. broken, cracked, scuffed or scratched plastics or panels, chemical erosion from chemical cleaners or foreign substances such as paint) will be rejected at VOXX discretion
