

The new Mirage OS³-FS floorstanding speaker is a highly sophisticated solution for movies and music, with its great style and Omnipolar® technology that delivers 360-degree sound immersion.

The attractive extruded aluminum cabinet is reinforced with MDF to add rigidity and eliminate sound discoloration. A standout in any room, the OS3-FS offers a choice of high-gloss or brushed black finishes—both of which are mounted on an elegant glass base for added stability.

Exclusive Omnipolar® technology benefits:

- Immersive 360° audio entertainment; wherever you go, the sound follows
- Perfect balance of direct and reflected sound, for accurate, realistic listening
- Placement versatility without sacrificing performance
