NOTICE OF INTENDED INSTALLATION AND USE

The Rosen Multi-Media Navigation Systems contain an internal video player, which is not intended for viewing by the driver. The video player is disabled when the vehicle is in motion through a connection to the parking brake.

The Installer of this product must insure the Video Disable Circuit is working properly prior to delivery of the vehicle.

Improper installation could distract the driver or interfere with safe operation of the vehicle, which could result in serious injury or death, and could also violate State and/or Federal law.

Rosen Entertainment Systems disclaims any liability for any bodily injury or property damage that may result from any improper or unintended installation and/or use.
