Jamo SUB 200

This subwoofer has a 200 Watt amplifier and a long-throw 8in woofer housed in a bass-reflex enclosure which gives this subwoofer a level of performance that is second to none. The auto on/off and controls for level, cut-off frequency and phase, together with both line-level and high-level inputs, makes it easy to integrate with any speaker.

Finish:

Alu, Beech, Cherry, Black.
