Audiovox's 2013 Movies2 Go Mobile Video Overhead System— - Now Shipping to Expeditors and New Car Dealers

Audiovox Adds Larger, 13", Movies2Go Monitor to Existing Selection

HAUPPAUGE, NY – September 5, 2013 – The 2013 13" Audiovox Movies2 Go Mobile Video Overhead System first shown at the January CE Show in Las Vegas is now shipping to expeditors and new car dealers nationwide. The 13" Movies2 Go Mobile Video Overhead System provides backseat passengers with front-row quality entertainment. On the largest monitor yet, users may view television shows, movies and more directly from their personal media devices.

The AVXMTG13U 13.3" LED Backlit Monitor/Built-in DVD Player features built-in 16 channel FM modulator with FM transmitter function and integrated dual channel IR transmitter. The system also offers switchable 16:9 / 4.3 aspect ratio, audio/video inputs for additional source units, USB/SD inputs for digital media, audio/video outputs, remote control with front and rear control, wired headphone jack and selectable M1/M2 operation. The DVD player is available in interchangeable pewter, shale and black trim rings and snap on covers.
Manufacturer's Suggested Retail Price (MSRP): \$449.99

Safe Harbor Statement

Except for historical information contained herein, statements made in this release that would constitute forward-looking statements may involve certain risks and uncertainties. All forward-looking statements made in this release are based on currently available information and the Company assumes no responsibility to update any such forward-looking statement. The following factors, among others, may cause actual results to differ materially from the results suggested in the forward-looking statements. The factors include, but are not limited to risks that may result from changes in the Company's business operations; our ability to keep pace with technological advances; significant competition in the automotive, premium audio and consumer accessories businesses; our relationships with key suppliers and customers; quality and consumer acceptance of newly introduced products; market volatility; non-availability of product; excess inventory; price and product competition; new product introductions; foreign currency fluctuations and concerns regarding the European debt crisis; restrictive debt covenants; the possibility that the review of our prior filings by the SEC may result in changes to our financial statements; and the possibility that stockholders or regulatory authorities may initiate proceedings against VOXX International Corporation and/or our officers and directors as a result of any restatements. Risk factors associated with our business, including some of the facts set forth herein, are detailed in the Company's Form 10-K for the fiscal year ended February 28, 2013.
