## about Audiovox Corporation

Audiovox Electronics Corporation (AEC) is a wholly owned subsidiary of VOXX International Corporation (NASDAQ:VOXX), a leading, global supplier of mobile and consumer electronics products. The Company holds number one market share in rear seat entertainment as well as remote start systems and is the exclusive provider of SIRIUS XM satellite radio products in the aftermarket. AEC is also a recognized leader in the marketing of automotive entertainment, rear observation, and vehicle security. Its' extensive distribution network includes power retailers and 12-volt specialists as well as nearly all of the major vehicle manufacturers ("OEMs"), both domestically and abroad.

Audiovox Electronics possesses a strong brand portfolio and its products rank among the top ten in almost every category in which they sell. Headquartered in Hauppauge, NY, Audiovox Electronics has a manufacturing facility in the United States, and a robust international footprint with offices in Europe, Canada, Mexico and Venezuela. ### About VOXX International Corporation

VOXX International Corporation (NASDAQ:VOXX). The Company that began as Audiovox over 45 years ago has morphed into a worldwide leader in many automotive and consumer electronics and accessories categories, and now into premium high-end audio. The company's brands hold leading market positions across a wide-spectrum of consumer and automotive segments.

Today, VOXX International Corporation is a global company...with an extensive distribution network that includes some of the world's Fortune 500 companies and an international footprint in Europe, Asia, Mexico and South America, and a growing brand portfolio, which is now comprised of over 30 trusted brands including Klipsch®, RCA®, Acoustic Research®, Jamo®, Energy®, Mac Audio®, Magnat®, Heco®, Schwaiger® and Oehlbach®, in addition to those brands marketed by Audiovox Electronics Corporation. The company continues to drive innovation throughout all of its subsidiaries, and maintains its commitment to exceeding the needs of the consumers it serves. For additional information, please visit our Web site at [www.voxxintl.com](http://www.voxxintl.com)

VOXX International Corporation and all of its family of brands are committed to helping save our environment. To that end, all printed materials produced by our Company are printed on recyclable paper using only biodegradable eco friendly coatings. We use soybean rather than petroleum based inks. Our printing presses have "purge on press" capability; use no alcohol and therefore result in no vapor pollutants in the air.
